THE NATIONAL COUNCIL

OF THE

Congregational Churches of the United States

will hold its next biennial meeting at

NEW HAVEN, CONNECTICUT, IN OCTOBER, 1915

THIS meeting should prove one of the most profoundly significant meetings ever held by the denomination. The Executive Committee will bring to it a review of the activities and developments of the biennium. The Commission on Missions will submit a plan for the readjustment of missionary agencies. The Commission on Education will make its report. The Social Service Commission will give its report and an outline of the proposed activities of the churches in meeting the social demands of the day. The other Council Commissions and Committees will also report on the field under their care. The missionary organizations will present their world-wide work.

For the first time the delegates to the Council will have a responsible relation to all the common interests of the churches in the missionary and publication field. Their action will have vital bearing on the use of $3,000,000 of annual income, $10,000,000 of invested funds and the effectiveness of thousands of missionary workers.

Pastors are urged to present the work of the Council to their congregations.

Associations and Conferences are urged to choose their delegates promptly, and to secure, where possible, provision for their expenses.

Members of churches everywhere not elected as delegates are invited to attend as visitors.

The historic city of New Haven is prepared to entertain the Council in generous fashion. It hopes and expects that the Council will bring a blessing to the city and the University.

For information, address the Secretary of the Council, 14 Beacon Street, Boston, Mass.

HENRY WARD BEECHER'S famous Plymouth Collection which appeared in 1855 was the first hymn book published by The A. S Barnes Company. Since then, as hymnology has grown and developed, they have brought out twenty different hymnals, each voicing the particular need of its time. Among these are such old favorites as Songs for the Sanctuary, The Evangelical Hymnal, Hymns and Songs of Praise, Carmina Sanctorum, The Plymouth Hymnal, and others equally dear to many users.

Appreciating the fact that differing tastes and demands make it impossible for all churches to agree upon the same hymnal, The A. S. Barnes Company are offering today in the following standard books a wide range of choice, not only in the matter of their contents, but in the spirit which guided the editors in their compilation. Each voices a distinct demand and each has its friends.

HYMNS OF THE KINGDOM OF GOD, Dr. Henry Sloane Coffin and Dr. Ambrose White Vernon.

HYMNS OF THE CENTURIES, Church and Chapel Editions, Mr. Benjamin Shepard.

HYMNS OF THE CHURCH, Dr. W. V. W. Davis and Dr. Raymond Calkins.

THE HYMNAL OF PRAISE for Colleges and Universities, Dr. Edward D. Eaton and Prof. Wm. H. Sallmon.

CHURCH HYMNS AND TUNES, Dr. Herbert B. Turner and Mr. W. F. Biddle.

It is suggested that pastors and committees will find it to their advantage to outline their needs and let the publishers cooperate with them by sending free sample copies of some or all of these books. — The A. S. Barnes Company, 381 Fourth Avenue, New York.

ATLANTA UNIVERSITY

Chartered 1867 **ATLANTA, GEORGIA** *Opened 1869*

Atlanta University is one of the oldest institutions in the South for the education of the Negroes. It has seven substantial, well-equipped brick buildings, and a campus of sixty acres. There are enrolled in the High School, College, and Normal School, about 400 students, a little more than half of them coming from the city of Atlanta and the rest from far and wide throughout the South. The majority of the graduates are teachers, through whose efforts the training and inspiration received at Atlanta University are passed on to thousands of the Negro race. An endowment of at least $500,000 is needed to maintain the work as now organized. Bequests in wills should be made payable to "The Trustees of the Atlanta University" in Atlanta, Ga., and attested by three witnesses. For further information address

A TESTIMONIAL

March 14, 1913

We, the undersigned citizens of Atlanta, believe that the work of Atlanta University is a genuine benefit not only to the colored people of this city and state but to the whole community. The great majority of the graduates form a substantial and conservative element whose influence may always be found upon the side of right. The institution has existed here for almost forty-five years and, so far as it has shaped and molded the Negro elements of city and state, its influence has been good. We think it would be nothing short of a calamity to remove Atlanta University from this city. Its work is needed not only for the benefit of the school system which it serves directly but also to strengthen the spirit of thrift, intelligence and self-respect among the Negro people.

We have recently visited this school and so far as our personal observations go are able to testify that the equipment is in an excellent state of repair, the classes conducted efficiently and the discipline good. We have faith in the wisdom and economy of the present administration, and bespeak for this institution the interest and help of all who believe in education.

INTRODUCTION.

As has been the custom in previous years, the following table is printed for the purpose of showing when the schedules of the states were received. It ought to be understood that all possible haste is made immediately upon the receipt of a schedule to prepare it for the printer. The question, Why is the issue of the YEAR-BOOK so long deferred? is answered here.

We offer a word of explanation concerning the schedules and the preparation of them for the printer. In about thirty per cent of the reports of churches, discrepancies are found between the figures given for the year preceding and the present year as compared with the difference between additions and removals. We assume to balance the reports. This work does not appear in the details of the schedules. The work of the clerk is allowed to stand unchanged. Our results are given in the summaries. For this reason the totals will be found different from totals that would be reached did any one care to add the columns of the schedules.

The attention of the clerks of churches is called to this method of balancing their reports. It must be said that in several instances state secretaries have been careful to revise the work of church clerks, and their schedules show great care and diligence.

Another matter connected with the compilation of the schedules should not be either overlooked or forgotten. It is not fair to reporting churches not to include in the totals the membership of non-reporting churches. In some instances this has not been done. It should refer also to the number of families and the memberships of Sunday-schools, young people's societies, and men's and boys' organizations, and even salaries and value of property. It is reasonable to presume that the institutions have not ceased to exist. Not to include them so far as known discredits the good work of such as are faithful through that lack of increase which otherwise would not be so apparent and in very many cases is not true. We ask the clerks, therefore, to make their returns as full and as complete as they possibly can. A little care as to features indicated above will make our YEAR-BOOK more dependable than ever.

The Departments of Work are:

STATE UNIVERSITIES. — Congregational pastors for the thousands of young students from Congregational families.

COLLEGES. — Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

ACADEMIES. — Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS IN UTAH. — Mormon leaders have a distinct political aim to gain firmer hold in national affairs in order to gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

MISSION SCHOOLS IN NEW MEXICO. — The poverty, prejudice and backward condition of the Spanish-speaking Mexicans are a strange anachronism in the midst of our American life. The uplift will come through the children and their schools.

STUDENT AID. — Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry.

OBJECTS.

To maintain, in the city of Boston, a Congregational House; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

FINANCIAL.

During the year the debt on the Congregational House has been reduced by $11,000, bringing it down to $98,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. Although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to above $10,000; the interest on the mortgage last year was $4,500. If the debt were paid, the appropriations to all the missionary societies could be largely increased.

THE LIBRARY.

The foresight of our fathers in beginning to save and store here all material bearing on " the religious history and literature of New England " is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more useful still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us.

We have no Carnegie to give us a princely endowment, but in this enterprise a little care and painstaking are even more welcome than gifts of money.

Every year that passes the world becomes more wonderful in its missionary opportunity. Increasingly does the work take on national and racial proportions. China is changing her religion as well as her government and her clothes; Japan's hope still goes out to the west. Troubles in Turkey are driving the Moslems to our schools. Africa is practically a part of Europe. The religious break-up in Spain and Mexico continues. Although two thirds of our missionaries have been living under revolutionary conditions, we are glad to report that there has been no serious stoppage of the work. The ingathering of church members has been retarded in some sections, as the statistics show; but multitudes of hearts have been won by the practical ministries of the missionaries in time of turmoil and war. The note we would strike for the year 1914 is that of *urgency*.

As to finances, the year that has closed has been fairly encouraging. For the third time the receipts of the Board have passed the million-dollar mark, the total being $1,048,938.76, an impressive sum to be sure, but not enough to cover the appropriations, since a deficit of $11,233.89 is carried over into the new year. The Board has sent 44 new laborers into the harvest fields, 29 on life appointment and 15 for term service, yet the positions we have filled do not equal those which remain vacant.

The figures which show the forces on the field continue to be interesting.

The Board has now 615 American missionaries, male and female. Connected with its 113 stations where missionaries reside there are 1,434 oustations, though these do not include all the places where the gospel is preached through its agents. There are 312 native pastors, besides 565 preachers and catechists, and 2,722 teachers, making the corps of Christian laborers connected with the Board's work 5,604, besides native teachers, Bible-women, etc. This force is by no means adequate to the demands of the expanding work,

STATISTICAL REPORT FOR YEAR ENDING MARCH 31, 1913.

The Congregational Home Missionary Society carried on work during the year in twenty-six states and territories, and the constituent state societies in eighteen more. The number of missionaries under commission for the whole or part of the year was 1,770. They cared for 2,547 churches and preaching stations. Connected with these churches were 2,398 Sunday-schools.

Of these churches and missions 433 held services in foreign tongues: German, Swedish, Dano-Norwegian, Bohemian, Italian, French, Spanish, Welsh, Finnish, Armenian, Albanian, Dutch, Bulgarian, Persian, Slovak, Swede-Finn, Greek, Portuguese, Syrian, Indian, Chinese, Polish and Japanese, — twenty-three in all. The largest foreign work was carried on among the German people, 110 churches and missions using that language in their service.

During the year 123 new churches were organized, 103 new church buildings were erected, 12 more than last year; and 49 parsonages were built, 16 more than last year.

The number of churches coming to self-support was 92, which was 11 less than last year.

The receipts of the Society for the year were as follows:

From contributions	$95,527.39
From constituent state societies	31,486.17
From legacies	130,189.28
From investments	17,601.14
	$274,803.98

Adding to the receipts of the Society as above given ($274,803.98) the receipts of the Constituent State Societies and the City Mission Societies we have a total of $620,929.06 for Congregational home missions last year. The average gift from each member of the Congregational churches for the year was 51 cents.

America's population has grown 35 millions since 1890.

America's wealth has grown 63 billions since 1890.

Congregationalists gave during 1890 88 cents per capita for Home Missions.

In 1912–13 we gave 51 cents per capita.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South the Negroes and the Whites, both in the mountains and the lowlands; in the West, the Indians; on the Pacific Coast, the Chinese, Japanese and Hindus; in Alaska, the Eskimos; and in Porto Rico and Hawaii, those of various races.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted by the means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanical arts, and agriculture. There are five chartered institutions for colored students as follows: Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College, Piedmont College and Atlanta Theological Seminary gather a considerable body of white students. There are also secondary and elementary schools to the number of 94. The total enrollment in all the institutions of the American Missionary Association last year was 14,984.

CHURCH WORK.

The value of Congregational churches in the field occupied by the American Missionary Association cannot be measured by the number of these churches. Missions are established which often do not grow into organized ecclesiastical bodies. This is especially true among the Mountaineers and the Indians. These missions, however, are of large value in bringing the influence and light of the gospel into darkened and neglected communities. Many of the Congregational churches maintain these missions in their vicinage and so multiply their work. Our high ideals of church life maintained by these Congregational churches render somewhat slow the progress of their organization. This is true especially where there is an inadequate intelligence and leadership. An emphasis of the dignity and sacredness of church membership is thus impressed.

Among the Negroes there is an increasing expression of the ambition and desire for expansion and growth. These evidences of progress in the church work are encouraging.

LITERATURE.

Interesting leaflets representing the work of the American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *fifty* cents per year.

The Congregational Board of Ministerial Relief is organized by charter from the legislature of Connecticut, "to secure, hold, manage and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers, in accordance with resolutions and declarations adopted or made, from time to time, by the National Council of the Congregational Churches of the United States." At the last meeting of the National Council there was added to the functions of the Board of Ministerial Relief the work of creating a Department of Annuities according to the general plan presented to the Council in the report of the Board of Relief and unanimously adopted by it. The Board has undertaken this additional work with enthusiasm and the assurance of permanent success. All our Congregational ministers, not debarred by the limitations of age or physical infirmities, are urged to become members of the Annuity Plan. Literature relating to the plan may always be secured by addressing the New York office.

In the Relief Department the year 1913 was one of great encouragement. It was the privilege of the Board to pay in pensions during the year $30,505.73, the largest amount in the history of the Board. The receipts for the year from all sources were $50,882.92. On Dec. 31, 1913, the Board held invested funds at book value to the amount of $287,098.75 and had a cash balance of $5,385.91. The Board appeals to the ministers and churches and individual friends for larger gifts both to the Pension and Annuity departments for the year upon which we have entered.

Departments.

There are two main divisions in the activities of this society, administered in five departments as follows:

I. *Sunday-school Planting and Promotion*, through the Missionary and Extension, and the Educational Departments.

II. *Publishing and Selling*, through the Editorial Department and the Business Department.

MISSIONARY AND EXTENSION DEPARTMENT.

Its time-honored work is the planting and strengthening of Sunday-schools in all parts of our country. This department derives its income from the gifts of the churches, Sunday-schools, individuals, and such sums as are granted to it in cash from the net profits of the Business Department. Since 1882 it has organized 12,565 Sunday-schools, from which 1,617 churches have grown.

Since 1883 *all moneys* contributed to the society by churches and individuals have gone to this work, and in addition to sums so contributed, the Business Department has given about $100,000 in cash.

EDUCATIONAL DEPARTMENT.

The Educational Department, organized in 1910, suggests educational standards, determines lesson courses, makes plans for the training of teachers, promotes the coördinating of educational agencies within the churches and without, and renders direct assistance through the publications of the Society, and through the members of its own staff. Miss Margaret Slattery is employed jointly by the Educational and Missionary Extension Departments.

EDITORIAL DEPARTMENT.

The Editorial Department, under the same direction as the Educational Department, creates the materials of religious education; among these are included all Sunday-school lessons and weekly papers, all helps and courses of study for teachers, and all pamphlets and leaflets dealing with education. The expenses of the Educational and Editorial Departments are defrayed from the proceeds of the Business Department.

THE CONGREGATIONALIST AND CHRISTIAN WORLD DEPARTMENT.

This paper, the oldest religious journal in the country, now in its ninety-eighth year, and the only national paper owned by Congregationalists, has been the property of this Society, and conducted by it for the entire denomination, for thirteen years. It is the indispensable medium of information and influence among our churches and leaders.

BUSINESS DEPARTMENT.

The Business Department, under the trade name of "The Pilgrim Press," has an entirely separate treasury. It publishes *The Congregationalist and Christian World*, the *Wellspring*, *Pilgrim Teacher*, International Uniform and Graded Sunday-School Lessons, Sunday-school and church supplies, and conducts two book-selling establishments in Boston and Chicago. It does not appeal for funds of any description. Its profits, so far as they are not essential to a necesssary increase of its capital, are appropriated for the benefit of the denomination.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

Object. — Its object shall be to secure the coöperation of all state bodies of women who labor in any organized way for the advancement of home missionary work in connection with Congregational churches.

Membership. — All state organizations of women connected with Congregational churches, seeking to promote home missionary work, shall be eligible to membership in the Federation.

Meeting. — The Executive Committee shall decide on the time and place of the annual meeting, which shall be held, whenever it seems desirable, in connection with the annual meeting of one of the national societies.

The Federation is made up of thirty-three women's state unions. It is the hope and purpose of the Federation to unify the Home Missionary work of the Congregational women of the United States, and to raise $300,000 for the work of the Homeland Societies. For purposes of economy this money is disbursed by the thirty-three state treasurers directly to the six homeland societies, following as closely as possible the percentages of the apportionment plan.

The Federation has representation on the National Apportionment Commission and the Congregational Home Missionary Society. It is now recognized in all denominational literature and plans as one of the national societies.

The American Missionary is the official organ of the Federation.

THE WOMAN'S BOARDS OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each coöperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. CHARLES H. WILLIAMS, D.D., Chairman; Rev. FREDERICK E. EMRICH, D.D.; SEBA A. HOLTON; GEORGE F. KENDALL; Rev. FRANK W. MERRICK, D.D.; SYLVANUS G. MORSE; Rev. D. AUGUSTINE NEWTON; Rev. J. EDGAR PARK; Rev. FRANCIS A. POOLE; IRWIN W. TAPLEY; APPLETON P. WILLIAMS; CHAS. L. ZIEGLER.

Secretary. — Rev. ARTHUR J. COVELL.

This Board is maintained and controlled by the Conference of Congregational Churches in Massachusetts. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of the state through the treasury of the Massachusetts Conference. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President.— REV. ALEXANDER MCKENZIE, D.D. *Secretary.* — CHARLES F. STRATTON.
Vice-President. — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and George Gould, Luke W. Fowle, Charles W. Wrightington, William A. Paine, Franklin P. Shumway, Edward B. Wilder, Albert Murdoch, George F. Kendall.

Corresponding Secretary. —

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from every state in the Union. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its center upon our coasts, its circumference includes all seas and shores where sailors may be found.

Methods. — The work is not simply preaching to sailors, but a large and varied ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates are cared for every year.

Results. — Many men have been led to save their earnings, an aggregate of many thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines. All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and there have been seasons when from November to May there was rarely a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and in the last five years about a thousand sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual contribution from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least $7,000, to meet the balance of expense for changes and improvements in our Sailor's Rest at 287 Hanover St., by which two thirds of that fine building have been made available for bethel work instead of one third, as heretofore. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us. It needs the sympathy and prayers of all who care for the sailor's welfare and have any sense of the great debt we owe to the much-neglected men of the sea.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of $....., to be applied to the charitable uses and purposes of said Society.

THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

National Offices, 612 United Charities Building, 105 East 22d St., New York.

The Federal Council unites thirty constituent denominations, including the Congregational churches through action taken by the National Council.

It is an official, organized instrumentality, just as organized in its constitution as the denominations themselves, through which the churches of the nation which hold to evangelical Christianity may manifest to the world, not only their mutual sympathy, but their essential unity in planning and working together in matters of common concern.

The thirty constituent bodies of the council number about seventeen million communicant members, and, including the family relations, represent something like fifty million of people.

The Federal Council has been constructive, has united and not divided. Denominational values have not been reduced, but rather increased through this common action.

While Christian unity as a sentiment in the life of the nation has sought expression in many forms and utterances, its only actual achievement has been in and through the Federal Council.

In its work, it operates through commissions on Foreign Missions, Home Missions, Sunday Observance, Temperance, Family Life, Religious Education and Evangelism.

A commission on State and Local Federations was appointed at the Quadrennial Session in Chicago to develop the work of local federations.

COMMISSION ON THE CHURCH AND SOCIAL SERVICE.

This commission acts for the united churches in expressing their consciousness on matters relating to social regeneration, and is engaged in unifying the forces engaged in this important endeavor.

COMMISSION ON PEACE AND ARBITRATION.

By special appropriation for this purpose, this Commission has entered into relations with the churches of Germany and England for the formation of a Church World Peace League.

LITERATURE.

The pastors and churches should endeavor to become thoroughly acquainted with this national federation, of which they are a part, and are entitled to send for literature descriptive of the Council and its activities.

A volume entitled "Christian Unity at Work" ($1.10 postpaid) gives the story of the development of Christian Unity for the past eight years.

Course of Study. — The primary aim of the Seminary is to prepare men for the practical work of the ministry. The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. Opened for instruction, 1901.

FACULTY.

E. LYMAN HOOD, M.A., PH.D., President, and Professor of Church History.
ALVAN F. SHERRILL, B.A., D.D., Dean, and Professor Homiletics.
LAWRENCE PHELPS, B.A., D.D., Professor Biblical Theology.
FRANK R. SHIPMAN, B.A., B.D., Professor Natural Theology.
FRANK T. LEE, B.A., D.D., Extension Professor in the Field.
JAMES W. BIXLER, M.A., D.D., Lecturer on History of Doctrine.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for $2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will help them to pay necessary expenses. Preaching and missionary work in connection with the prosecution of studies are possible.

These figures do not include the students in the Oberlin Slavic Department.

OTHER LECTURERS.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of about 28,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers.

Because of the adoption of the coöperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends usually from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. Warren J. Moulton.

The courses in philanthropic, civic, and social work offered by the Chicago School of Civics and Philanthropy are open to all students.

Also, from the University of California, GEORGE MALCOLM STRATTON, PH.D., Professor of Psychology; CHARLES MILLS GAYLEY, LITT.D., LL.D., Professor of the English Language and Literature; CHAUNCEY W. WELLS, A.B., Associate Professor of English Composition and Rhetoric; ALEXIS F. LANGE, PH.D., Professor of the Theory and Practice of Education; JOHN FRYER, LL.D., Professor of Oriental Languages and Literatures; JESSICA B. PEIXOTTO, PH.D., Associate Professor of Sociology; WILLIAM POPPER, PH.D., Associate Professor of Semitic Languages and Literatures; CHAS. RIEBER, PH.D., Professor of Logic.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the eight professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 200,000 volumes) and the special library of the Seminary (12,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew and Greek are not required for the degree of B.D., but unusual facilities are furnished for acquiring them. The University of California has established an excellent course in modern charities.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college diploma is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address President NASH.

THE NEXT YEAR BEGINS Aug. 18, 1914.

TALLADEGA COLLEGE THEOLOGICAL DEPARTMENT.

TALLADEGA, ALA.

Opened for service in 1872.

FACULTY.

JOHN M. P. METCALF, D.D., President.
WILLIAM HENRY WALKER, PH.D., Professor of Biblical Literature.
FRANK SHERMAN BREWER, A.B., Dean and Professor of Theology and Homiletics.
EZRA B. GEER, MUS.B., Professor of Church Music.
Mrs. FRANK SHERMAN BREWER, Instructor in English.
ALFRED T. CLARKE, Instructor in English Bible.
WILLIAM H. HOLLOWAY, B.D., Lecturer on Sociology.

The advantages of the Theological Department are open to students of all denominations alike.

BUILDING AND EQUIPMENT.

Our new Theological Building, Andrews Hall, provides classrooms and dormitories and is equipped with all modern conveniences, steam heat, electric light, shower baths, etc.

THE FACULTY.

Two of the above members of the faculty give their entire time to the work; all have had long training and experience in preparation for it.

COURSES OF STUDY.

The Regular Classical Course of three years' duration leads to the degree of B.D., and includes the study of Greek, — Hebrew not required. Candidates must have completed two full years of college work with two full years of Greek.

An English Course of the same length leading to a diploma is designed for those who have had a college preparatory course or a full normal course or its equivalent.

A Bible Training Course of the same length lays its emphasis on training in English and in the English Bible, and is designed for men already in the ministry who desire more training, and for those unable, because of age, etc., to secure the preparation for the regular courses.

A Correspondence Course for ministers who are not able to do work in residence.

PRACTICAL ACTIVITIES.

All students in connection with the regular class work in sociology are required to engage in certain forms of practical work in the community, for community betterment and as preparation for actual work among their people.

EXPENSES.

Tuition and rooms are free. Students must pay for board, books, washing and incidental fee. Opportunities for self-help are offered, and in return for manual labor and practical Christian work some student funds are available for those whose scholarship is satisfactory.

GENERAL ADVANTAGES.

Talladega's location is an unrivaled one in the healthful foothills of the Blue Ridge.

The advantages of work in connection with a large school, a good library, fine musical advantages and opportunity to do some class work in the literary departments of the college.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

Annual Statistics

of the

Churches and Ministers.

ANNUAL STATISTICS OF CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1913 by the statistical secretaries of the several state organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1914, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the state secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by states.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers and dates of sessions in 1914 and 1915, so far as correctly known.
5. General summary tables for the year.
6. Tables of summaries, for each decade of years 1858–1913.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city, arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of state secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the state summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. **But no such changes have been allowed to affect the summaries.**

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post office and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton,

Auburndale." In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to footnotes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since Jan. 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes a church not associated.

2. Pastors installed by council are marked "*i.*," and pastors recognized by council are marked "*r.*"; others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the state alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations Di., L., R., respectively. It should be borne in mind that in the tables, "R." includes Discipline and Roll Revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline. Under "Sunday Schools," "h" signifies Home Department, and "m," a Mission School connected with the Sunday school of the church. In "List of Mission and Independent Schools," "C" signifies that the number enrolled is counted in the enrollment given in the State Schedule. Under "Men's Organizations," "x" means men's organizations exclusively; "z" boys' organizations exclusively. In all other cases "Men's" and Boys'" are together.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some states do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

10. Attention is called to totals in membership. Differences are to be accounted for because of revision of reports for the purpose of balancing, and the inclusion of figures of non-reporting churches which do not appear in the schedules.

ALABAMA.

General Congregational Conference of (Anglo-Saxon). Officers: Chas. T. Lunsford, Hackleburg, moderator; Rev. Elmer W. Butler, Thorsby, statistical secretary, treasurer and registrar. Session of 1914: Hackleburg, Nov. 10.

THE ORGANIZATION OF THE NATIONAL COUNCIL.

1. THE PLAN OF ORGANIZATION.

In the revision of the Constitution of the Council at its meeting in 1913, three important additions were made to the statement of its purpose. Not only is the Council, as before, to foster and express the substantial unity of the Congregational churches and consult upon the common interests of all the churches, but it is also (1) to " devise measures and maintain agencies for the promotion of their common interests; (2) to coöperate with any corporation or body under control of or affiliated with the Congregational churches or any of them; and, (3) to do and promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations.

Accordingly, at this same meeting the organization of the Council was changed in order to give effect to this enlargement and restatement of purpose. The existing committees were coördinated, new committees were established, and the duties of all were more clearly defined. To avoid confusion, permanent committees were usually given the name of " Commissions."

The Moderator, in addition to the duty of presiding at the sessions of the Council, has the representative function " of visiting and addressing churches and associations upon their invitation and of representing the Congregational churches in the wider relations of Christian fellowship so far as he may be able and disposed." He is *ex officio* a member of the Executive Committee, and of the Board of Ministerial Relief, and by virtue of his position is chairman of the Congregational delegation in the Federal Council.

The Secretary, in addition to the duty of keeping the Council records, conducting its correspondence and editing its publications, is also instructed to " aid the committees and commissions of the Council " and to " be available for advice and help in matters of polity and constructive organization." Like the Moderator, he may represent the Council and the churches in interdenominational relations. He is, *ex officio*, Secretary of the Commission on Missions, and of the Executive Committee, and a member of the Board of Ministerial Relief. He is also a member of the Federal Council.

The Executive Committee is in general charge of the work of the Council. Specifically it (1) acts for the Council between sessions, (2) supervises its finances, (3) fills vacancies in all offices or commissions (except the Commission on Missions), (4) prepares the program for the meetings of the Council.

The Corporation is the legal entity of the Council and the custodian of its invested funds, except those devoted to Ministerial Relief. It is authorized to receive and hold property that may be conveyed to it in trust or otherwise for the benefit of Congregational churches or of any Congregational church.

The Nominating Committee, consisting of nine members, serves from the close of one stated meeting till the close of the following stated meeting. Its members are elected in classes.

The Commission on Missions. In its new constitution the Council recognizes the following organizations as the national representatives of the Congregational churches in doing missionary work, viz., the American Board of Commissioners for Foreign Missions and the coöperating Woman's Boards of Missions, the Congregational Home Missionary Society, the American Missionary Association, the Congregational Education Society, the Congregational Church Building Society, the Congregational Sunday-School and Publishing Society, the Congregational Board of Ministerial Relief, and the Woman's Home Missionary Federation. It provides a plan by which the members of the National Council may become, with the addition of a specified number of persons, the voting membership of each Society (except the woman's organizations). It also provides for the appointment of a Commission on Missions consisting of twenty-four persons (nine nominated by the Societies) charged with the duty of advising these societies as to organization, methods and policies, and of recommending to the Council such action in the field of missions as commends itself to the judgment of the Commission. The administration of the Apportionment Plan is also one of its duties.

The Commission on Social Service is entrusted with the direction of "the activities of our churches in dealing with social problems in city and in country, including those in the rural church and community, in municipal and industrial conditions, and in the work of charities and corrections." It succeeds to the work of the Congregational Brotherhood in promoting men's organizations in the churches.

The Commission on Evangelism. To this Commission is committed the task of leading the churches in their fundamental duty of winning disciples.

The Commission on Moral and Religious Education is charged with forwarding the nurture and training of the children and youth of the Congregational churches, through the Sunday schools and Young People's societies and in schools and colleges.

The Commission on Federation, Comity and Unity and the Delegates to the Federal Council, together constitute the agency of the Council in promoting closer relations and securing greater coöperation with other denominations and in furthering the cause of Christian union throughout the nation and the world.

Four other Commissions, viz., on *Temperance,* on *Public Worship,* on *Bible Cause,* and to *Promote Moral and Religious Welfare of Men under the Flag,* emphasize the many-sided activities of the Council. Their duties are sufficiently indicated by their names.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

THE following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible, but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1912, are retained, and are indexed to pages on the " Vital Statistics " when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by state only are of persons approved in the state mentioned, no residence being reported. 4. The list is incomplete, because some states make no full report of licentiates. 5. The contracted name of a state in brackets means that the name was reported by that state although the person may reside elsewhere.
